Teaching characteristics

DE Kapital-LV ab 2018-01-01 geschlossen (E05); ab 2022-01-01 DE-Rechnungszins 0.25 % unter gleichem Tarifcode (Suffix -N); CH neues VVG ab 2022; letzte Pfefferminz-Generation bis Closing

Use in Pfefferminzia MCP

The applicable document must be selected through contract ID, tariff generation, and market. Every life-insurance communication, underwriting recommendation, beneficiary assessment, or benefit decision requires qualified human review before it can leave the workshop system.

Responsible-use boundary

This condensed document exists to demonstrate version-aware retrieval and tool use. It deliberately preserves conflicts and ambiguity documented by the upstream teaching dataset. It must never be presented as a real insurer's binding terms.
